

0.Hi, my name's Marek and I'm going to talk to you

1. a There are many stereotypes that people in other

countries they have of British people. b. For example

it is always raining. (Well I think the last point is true!)

foreigners [foreners] think that all Brits are heavy drinkers.

They think that British food is rubbish and they think that

briefly about stereotypes.

Almost all the Italians that I have ever met loved Italian food and avoided eating anything else.

4.a In terms of stereotypes that I have about Americans I would say that a lot of them are overweight and they all love American football, baseball or

think of anything else for the French.

Spanish people? I think about Tapas, Sangria and beaches when I think about Spain. And a celebration that they have in Valencia called Fallas. I really don't like it because it is very noisy.

b. I wouldn't say I'm being unrealistic **in terms of** the U.S. and obesity. I think it's quite a big problem there. And in terms of the other countries, I think that every country in europe loves its own food and thinks it's the

- 2.I think that people in Britain are different in many ways. For example people's accents differ around the UK. A person from Liverpool has a very different accent from someone in London.
- But in terms of general culture I think people are quite similar throughout Britain.

basketball.

3.a I think that the stereotypes that foreign people have about Britain are true in some ways. **b/c.**Drinking alcohol is a big part of British culture but I think that it's unfortunately the same everywhere in the world.

a/b.I think that foreigners think that we are very polite. Even excessively polite. c. I am not don't agree. I like the fact that we are so polite.

It's good manners

1 STEREOTYPES

5. a.I am agree with this statemtent. **b.**I think that we all have cultural differences and some of them can be quite big but essentially we are all the same. We all feel similar feelings and enjoy doing similar things. We fall in love. We have families. We buy houses and things. We laugh and cry and eventually, we die. I think traditions and languages are possibly some of the bigger differences. Apart from that I think that we are all human beings who descended from the same place.

- Are there any typical characteristics which you think describe the people from your country? Which ones?
- Are people from different areas of your country similar / different in any way?
- 3.• ^a Do foreign people have any stereotypes about people from your country? Which ones? Do you think they are right?
- 4.• What are the stereotypical ideas you have about people from other countries (United Kingdom, USA, France, Italy, China...)?^bAre they realistic?
- Think about this sentence and comment on it: "People from different countries are not very different from each other". Do you agree with it? Why? Why not
