

| Marta Baviera Week 10 B1 EOI 2008-SUMMER CAMP EMERGENCY 8.5/10

Hi Marcus,

I'm sorry to tell you that I have to leave my job in the camp urgently because my sister had a car accident and she is in the hospital right now. My family didn't tell me her state at this moment and I'm very worried.

| Because of this, you will have to take ~~the~~ leadership of the kitchen of the camp. If you have any questions you can call me when you need. To make things easier I'm going to give you a list with the most important things that you must know.

- | - Alfred is a diabetic. His things are in the drawer on the left.
- | - At ten o'clock in the morning ~~arrives~~ the truck arrives with the fresh food.
- | - In the fridge you can find the ~~menu~~ meals of for the rest of the week.
- | - Remember that the kids have a cooking workshop every Thursdays ~~s~~ afternoon

Try to make a meeting with a rest of the team that will help you in the kitchen. My sincerest apologies for | all the problems that ~~I could~~ this has caused.

| Excellent 8.5/10
