to turn up for (e.g. an appointment.) (illegal)

to turn up the volume on

your stereo system. (augment)

child

irresponsible

Cleft sentences:

A cleft sentence is one in which a simpler sentence is 'cleft' (split) into two parts, a 'focus' and the rest. There are two types, illustrated by (1-3):

Original: We ordered coffee.

(1) It was coffee that we ordered.

('It-cleft')

(2) What we ordered was coffee.

('Wh-cleft')

(3) Coffee was what we ordered.

('Wh-cleft')

These sentences all have (more or less) the same meaning as the original.
