High (alto distancia)

Height

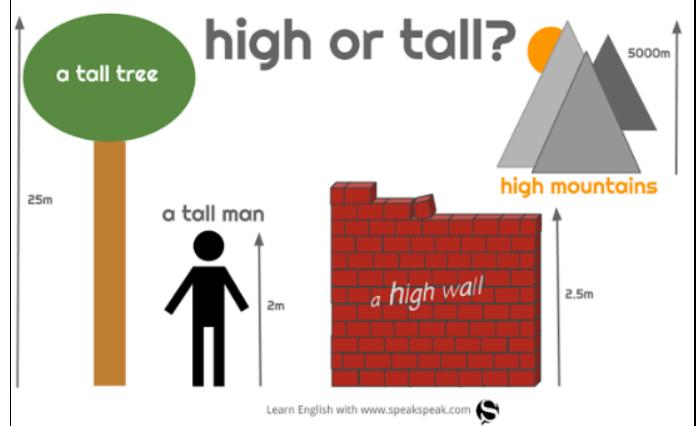

Loud (alto volumen)

Is it high or tall?

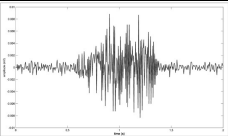

If you're not sure whether to use *high* or *tall*, try thinking about the overall size of the object:

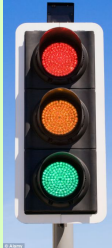

- We use **tall** mainly for things which are narrower or thinner than they are high: *tall people, tall trees, tall buildings*.
- We prefer to use **high** for things which are very wide: *high mountains, high walls*.
