Deception versus Deceit
People/intentionally = Deceitful = falso, embustero
Objects and people/unintentionally = Deceiving = Engañoso
Normally, "deceitful" applies to individuals who, often by by nature, deceive others by intent.
Think of "deceiving" to mean "not what you think it is or as it appears."
For example: The cute appearance of a raccoon (mapache) is deceiving, but the animals cannot be deceitful, because they are not human and cannot form intent.

I'm in the last year at secondary school.
