

2017-03-14 Tuesday Chelo Cervera Marek Connell English notes

To end up (acabar) verb+ing +object

We ended up in "Play".

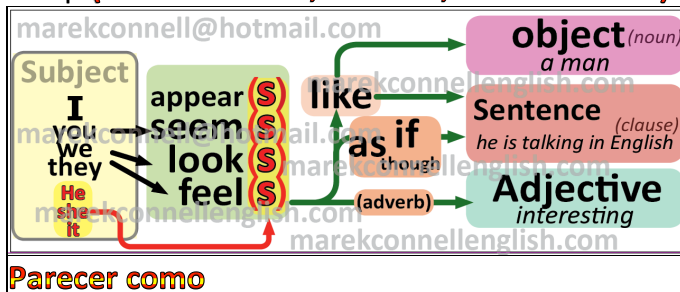

It's a nice place to go to finish the night.

Stirred (agobiado)

The learning process.

|                                                                                                                                          |                                                                                                                                                                                                                                                                            |                                                                                                           |
|------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------|
|  <p>To fall off <sup>eg</sup> a cliff (alcantilado)</p> |   <p>to fall (down).<br/>to fall off <sup>eg</sup> a ladder<br/>to fall on the floor (or a nail etc)</p> |  <p>to fall (down)</p> |
|  <p>to fall/trip over something./to fall down.</p>      |  <p>to fall down <sup>eg</sup> some stairs</p>                                                                                                                                           |                                                                                                           |
