People/intentionally

Normally, "**deceitful**" applies to individuals who, often by nature, deceive others by intent.

Think of "**deceiving**" to mean "not what you think it is or as it appears."

For example: The cute appearance of a raccoon (mapache) is **deceiving**, but the animals cannot be **deceitful**, because they are not human and cannot form intent.

"Appearances can be **deceiving**" fixed expression

"The island looks small from a distance, but this is **deceptive**; it's really quite big."

I trusted him completely, so I didn't see though his lies and **deceit** for a long time.
