## SET 6 CANDIDATE A

| TASK 1 MONOLOGUE |  |
| --- | --- |

*Please introduce yourself to the examiner and other candidate. In this part of the exam you are going to give a short talk on a topic. Discuss some of the ideas given below. The talk should last 3.30 or 4 minutes.*

### COMPUTER SAYS NO!

- The Internet and television: will they co-exist?
- The Internet and the cinema. Downloading films vs going to the cinema.
- The Internet and music: concerts, DVDs, CDs, will they exist in the future?
- The Internet and books: books and libraries will probably disappear.
- Blogs and social networks.
- Computer technology: how has it changed over the past 25 years?
- The sky's the limit: can computers outsmart us?
- Different attitudes to computers: the elderly and the youth of today.
- How have computers changed our lives? Education, leisure, work, others.
