

2019-02-19 Tuesday Montse Marco B1 Marek Connell English notes 1

|                  |                           |
|------------------|---------------------------|
| Work done        | p13 upto 2d.<br>p130 GB1C |
| Hmk              | Continue with p15/16      |
| Start next class | P13 exE speaking.         |

Let's finish there. (allí)

I was a bit ill. (era/fue)

hill (colina)

Brother

Cousin

Low

Great

Step

Generations are living increasingly longer. (+more/less/comparative) (larger) (increasingly)

Not one or the other.

Society

They will have less relationships. (fewer)

|                                                  |
|--------------------------------------------------|
| +object                                          |
| Related with related to someone                  |
| Verb+ing +object                                 |
| (relacionado con)                                |
| To relate to +object                             |
| To relate to someone. (relacionarse con alguien) |

[kapel] couple

They were very dependent on their husbands. (dependían) (mucho) (dependencia)

Daughter

Dear (querido)

He won't know when she will return. (regresar) (volver) (de vuelta)

|                                                    |
|----------------------------------------------------|
| be careful (about/with) take care! (tener cuidado) |
| Be careful! (ten cuidado) carefully (adv)          |
| to take care of someone (quidar alguien)           |

I haven't heard where he is going. (dónde) (¿dónde?) (¿adónde?)

Will you play football tomorrow? (¿mañana?) (¿mañana?)

Yes, I will.

I don't know where he is going. (dónde) (¿dónde?) (¿adónde?)

To crash (chocar) (mas para vehiculos)

Montse is at Marek's (house) today. (casa)

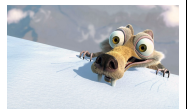

|                               |
|-------------------------------|
| 1. won't (quiere) (to + verb) |
| 2. Will                       |
| 3. will not=won't (futuro)    |

She is secret. (secreto)

|                                  |
|----------------------------------|
| To take a slash (mear)           |
| forward (hacia adelante) slash / |
| backslash \ (la barra invertida) |
| to slash (tajar/ rajar)          |

|                                             |
|---------------------------------------------|
| Probable (probable) [pró-bə-bəl]            |
| probably (probablemente) [pró-bə-bli] mente |

|                                                     |
|-----------------------------------------------------|
| Hold (sujetar) /hang (colgar) on! (espera/agarrate) |
| to hold on cling to+object                          |
| to let go of +object                                |

Noelia has had a car for 5 months.

Arrangement (el arreglo; el acuerdo)

Married

| Pronounced the same |         |
|---------------------|---------|
| To weigh            | The way |
| weight              | wait    |
| heavy               |         |

|                                                                                                                                                                              |                                                                                                                                                                                     |
