

2019-10-23 Wednesday Daniel Monsonis Marek Connell English notes 1

repossesset (embargado)

To do a (great) job.

To make an effort.

to bite the bullet. (bala)

(to make a sacrifice)

It is often stated that it is derived historically from the practice of having a patient clench a **bullet** in his or her teeth as a way to cope with the extreme pain of a surgical procedure without anesthetic, though evidence for biting a **bullet** rather than a leather strap during surgery is sparse.
